The seller ordered a full home inspection and has made all the repairs. New carpet up and down. With an airplane view, this light-filled mountain house has privacy, gracious living and a prime location minutes from Asheville, Brevard, Hendersonville and the airport. Built with an engineer's precision and an artist's eye, nearly all the large rooms open to the breathtaking view. Even the kitchen's two quartz islands were designed to maximize the impact of the mountains. Master on the main with spacious guest quarters below, this fine home boasts zoned heating, a sophisticated water conservation system and a solar thermal hot water system. Loads of storage in and out including the 3 car garage plus workshop. Say goodbye to yard work with the low maintenance landscaping. Exterior materials chosen to last, including hardiplank siding, EverGrain composite decking and a 50 year roof. All this...
