Located in one of Lake Toxaway's most private and pristine settings near the headwaters of Lake Cardinal, this Al Platt designed masterpiece has it all. Impressive in and outdoor living surrounded by natural landscape with over 300 feet of frontage on the crystal clear waters of Lake Cardinal. The home features four large bedrooms/baths, two half baths, six fireplaces (indoor and out), a slate roof, cedar shingle and native stone siding, IPE decking and antique timber frame beams. Stone and antique hardwood flooring complement the oak, cypress paneling and plaster walls. The home has a Lutron Audio and Video System with security features and, if needed, a hydraulic elevator is installed from the main to lower level. While extremely private, the home is a short drive to the Lake Toxaway Country Club and marina with all the accompanying amenities.
