Welcome to your dream retreat with breathtaking lake and mountain views from every room. Enjoy abundant natural light through large picture windows and cozy up by the stacked stone fireplace in the great room. Cathedral ceilings further enhance the main living area, while the chef's kitchen features Viking stainless steel appliances. Custom cabinetry fills the kitchen, as well as throughout the rest of the home. Across from the kitchen, enjoy the warmth radiating from the additional fireplace in the den and eat-in area. The primary suite offers big views, a 2-person jetted tub, and a large walk-in shower. The main level also features a designated office space with custom built-in cabinetry, a laundry room and half bath. The lower level houses a second living area with a wet bar and fireplace, a multipurpose craft/utility room, and a workshop with outdoor access. The two-level porch with...
